

Q1/19 edition

# open network partner program newsletter

Dear partner,

After beginning with a blast, 2019 is now well and truly underway!

Welcome to this year's first edition of our Amdocs Open Network Partner Program newsletter. As innovative technologies and architectures drive the creation of new business opportunities, applications and services, this is an exciting time for our partnership as together, we enable this new era of transformation!

Here's a preview of this edition's hot topics:

- Amdocs recognized as Leader in Gartner's 2019 Magic Quadrant for OSS
- Globe Selects Amdocs NFV solution for NaaS and mobile core operation automation
- Amdocs to showcase 5G solutions and services at MWC19 Barcelona
- What's new in ONAP's recent release, Casablanca

Come party with us @MWC– see details below

## **Ofer Farkash**

Amdocs Open Network

NFV Partner Program Marketing Manager

Source: Gartner (January 2018)

## Amdocs positioned as Leader in Gartner's 2019 Magic Quadrant for OSS

OSS transformation has a major impact on the success of NFV investments and a CSP's preparedness for the future. Amdocs was positioned highest in both ability to **execute** and completeness of **vision**, as well as its proven ability to **support NFV implementation** across all network domains.

## Don't miss this joint Microsoft-Amdocs session at MWC19!

**Yousef Khalidi**, CVP of the Azure Networking team at Microsoft, **Oren Marmur**, head of NFV at Amdocs and **Arpit Joshipura**, general manager of networking at Linux Foundation will co-present ONAP integration with Azure on Thursday February 28 from 11:15 - 12:15 AM as part of the event's Connectivity Summit

## Come to party with us at MWC19

We will be hosting a party and **you are invited** to attend. It is a fantastic opportunity to meet Amdocs executives, customers and other ecosystem partners.

### Entering the party requires registration

RSVP by Feb 15
